

Abishan Parameswaran

Personal Profile

I'm a highly motivated and hard-working individual who has recently completed my second year of university successfully. I can handle any task or situation with a mature and responsible approach. I am an excellent team worker and will handle the pressure with an initiative manner. I'm very keen and willing to enhance my skills on Software Development in order to become a more productive individual in future and to be beneficial to the society. Seeking for an internship in IT industry. Having an internship in the IT industry will help me becoming a fully qualified experienced full stack developer.
